

As you step into the New Year
In your favorite pair of shoes
Here's a little something
A treat from us to you!

They're fashionable and comfy
They hug your tootsies with love
Add spring to your step
And fit just like a glove

As you continue on your journey
Throughout the coming year
We wish you comfort and joy
And a "sole" filled with cheer

*Happy holidays
from your friends at Spanx!*
